The Streaker 5700 Bluewater Series is clearly designed for offshore fishing and family enjoyment in complete safety. In terms that experienced boaties understand, this is a classic 18 footer – a boat that can be towed by any popular 6 cylinder family car. Based on our “award-winning” 5700 series hull, this is definitely one for the family.

On the water you will appreciate the exceptional stability, great handling and the high freeboard. The 5700 Bluewater has one of the widest beams in its class.
