Maximum Horsepower: 2 Stroke	200 H.P.
Maximum Horsepower: 4 Stroke	150 H.P.
Load Capacity:	7 Adults

The Streaker 6100 Navigator takes the 'Walk Thru' concept to an entirely new level. Never before has a boat of this size been so well designed with the practicalities of accessing the bow so well addressed.

With a big beefy beam, a 20 degree deadrise that takes the crunch out of a short sharp chop, flared bow and capability to carry big power on the transom, this is the boat that will deliver comfort and confidence offshore. The 6100 Navigator has a cockpit set up for fishing – a wide open cockpit, elevated helm and passenger

seats plus a spacious cuddy cabin. Up front there's a boat load of storage or bunks big enough for a midday nap.

For boaters who like to have a complete array of electronics on board, the dash has more than enough space for a sounder, GPS, radio, engine instrumentation the works!

As a fully factory rigged boat, the 6100 Navigator is a complete turn-key package ready for a day of fishing. All you need is the bait and a splash of fuel and you're away to catch the big ones.
