**When you have a great boat, go one step further and build it bigger. Our new 6100 Sirocco adds a bigger dimension to bow rider boating. The 6100 is bigger all round – bigger in the bow rider section and more spacious in the cockpit.**

The new 6100 Series Streaker hull is a genuine performance hull that is sharp on the water and easy to drive. With a big V6 outboard on the transom, carrying a boat load of family and friends is a delight. This rig is rated to carry up to 7 adults.

Naturally the 6100 Sirocco comes with every conceivable feature included in the factory standard fit out. The floor is carpeted throughout, there is a useful removable cockpit table, walk through windscreen to the bow-rider and a heap of on-board storage. With the big 184 litre sub floor fuel tank, you can boat for a whole weekend, skiing, cruising and fishing.

The new release 6100 Sirocco adds an entirely new and bigger dimension to family boating with Streaker - just add your family and you're ready to go boating.
